

Bluetooth Headset with Charging Base and USB Dongle

GUV3050

The GUV3050 is an HD Bluetooth Headset that pairs with laptops, computers, IP phones and other devices to offer high-quality sound. Ideal for remote workers and busy environments, these USB headsets feature a noise cancellation microphone that minimizes background noise to provide crisp HD audio. The GUV3050 provides all day comfort thanks to adjustable headbands and leather ear cushions while audio is easily adjusted using the in-line controls. This device comes equipped with a USB dongle and charging base station to offer a complete solution. GUV series headsets are compatible with any device that offers a USB connection, including laptops and Grandstream IP phones. The headset supports all major third-party communication platforms, apps and softphones as well as Grandstream's IPVideoTalk Meetings and Wave app. By offering crystal-clear HD audio, comfortable use and wide compatibility, the GUV series headsets are ideal for remote workers, call centers, receptionists, sales teams and more.
